## Experience

---

### **Canyon Construction Company/ Mechanic's Helper**

Summer 2015, Summer 2016, Elko, NV

Worked with much older employees to manage deliveries, service machinery, and perform yardwork. Experience taught me how to work with older members of a team and balance a personal schedule.

### **Barrick Nevada Gold Mine/ Site Services**

Summer 2017, Elko, NV

Performed day to day maintenance tasks and checked fire systems. Learned how to follow strict protocol.

### **Canyon Construction Company/ Laborer/Equipment Operator**

Summer 2018, Elko, NV

Began working with a shovel and soon developed the skills needed to run several pieces of equipment (forklift, roller, skid steer). The experience taught me perseverance and to lead by example.

### **University of Utah/ Learning Assistant**

August 2019 - May 2020, Salt Lake City, UT

During my two semesters as a Learning Assistant for the Physics II Lab, I worked with college students from all walks of life as they pursued an education in STEM. My responsibilities varied, but I was mainly focused on promoting group discussion, clarifying difficult concepts, and fostering an inclusive environment in the classroom.

### **University of Utah/ Teaching Assistant**

May 2020 - August 2020, Salt Lake City, UT

During my time as a Teaching Assistant for the Physics 1 for Scientists and Engineers class, I worked with the professor, as well as with several other TAs to deliver course material in an effective way. My responsibilities included lecturing, creating course material, helping students through discussion, grading, and much more.

### **Clemente Humanities/ Teaching Assistant**

October 2020 - November 2020, Salt Lake City, UT

Through Clemente Humanities, with a partnership with the University of Utah, I worked with an honors professor to teach a philosophy course to underserved students at East High School in Salt Lake City. This position taught me many things, but most importantly it taught me the importance of considering different perspectives while providing an education

### **The Front Climbing Club/ Front Desk/Membership**

Specialist/Shift Lead

May 2021 - November 2022 Salt Lake City, UT

During my time at the Front Climbing Club, I took on a variety of roles. My day to day duties included assisting patrons with checking in, retail, instruction, and risk management. I also specialized in membership, which involved ~10 hours a week of office work in which I processed

changes to memberships, responded to patron inquiries, doled out refunds, and more. I also trained staff and acted as a point person for all types of questions.

### **Zest Kitchen and Bar/ Server/Bartender/Shift Lead**

November 2022-Current, Salt Lake City, UT

Worked to provide excellent customer service to our many patrons. Responsibilities include making drinks, running food, scheduling, and managing other employees.
